EXECUTIVE SUMMARY

Motivated 3rd year IT undergraduate specializing in defensive cybersecurity with hands-on experience in SOC and Blue Team labs. While my 2+ years of professional experience come from outside the security domain, they've strengthened my technical troubleshooting, communication, and problem-solving abilities. I am eager to apply my developing defensive security skills and contribute to a SOC team as an intern or entry-level analyst.

EDUCATION

Expected Graduation: Nov 2026

Bachelor of Science in Information Technology

The Open University of Sri Lanka (OUSL)

EXPERIENCE

Feb 2025 - NOW

Tech Bridge Solutions Ltd

Help Desk Representative

- Resolved technical issues and provided first-line IT support to end users.
- Registered incidents, updated user records, and escalated unresolved issues to senior IT staff.
- Ensured timely resolution by coordinating with other teams to reduce downtime.

Jan 2022 – Jan 2024

Jul 2025	**Cyber Threat Management, Endpoint Security, Network Defense**
	Cisco Networking Academy
Jan 2025	**Practical Help Desk**
	TCM Security

PROJECTS

SOC Home Lab (Defensive Cybersecurity)

- Built a virtual lab with VMs, SIEM, and IDS to simulate alerts.
- Practiced log analysis, alert triage, and incident response.

LetsDefend SOC Platform

- Completed real-world SOC analyst simulations on the LetsDefend platform.
- Investigated alerts, analyzed malicious activities, and applied incident response workflows.
- Strengthened knowledge of log correlation, threat detection, and escalation processes.

IT Help Desk Case Studies

- Documented real-world support workflows: ticketing, troubleshooting, escalation, and resolution.

LANGUAGES

- English — Proficient
